## NER STOLEN HEAVY EQUIPMENT DATABASE

The National Equipment Register (NER) is a national database of stolen heavy equipment managed by equipment specialists who coordinate the efforts of equipment owners, the insurance industry, and law enforcement in the fight against heavy equipment theft. Many insurers provide incentives to their clients that register their equipment on the NER HELPtech database.

## SAFETYFIRST VEHICLE STICKER PROGRAM

NUCA has partnered with SafetyFirst, a provider of fleet safety services and training. The program centers around stickers placed prominently on fleet vehicles, which encourage motorists to call a toll-free number to report any driving behavior they might witness, either with complaints or commendations. NUCA members receive reduced rates for vehicles and trailers. Total fleet safety program is included, complete with monthly training materials.

## CONSENSUSDOCS – BUILDING A BETTER WAY

ConsensusDocs are the only standard contracts written and endorsed by 37 leading design and construction industry associations, including NUCA. ConsensusDocs offers more than 100 contract documents, provides version control, and possesses powerful comparison tools, and recently released an entirely new technology platform that is MS Word compatible. Written in a straightforward fashion, ConsensusDocs incorporate best practices and fairly allocate risk to reduce costly contingencies and adversarial negotiations, and to promote better project results.
